Dear Families,

Volunteers are an essential part of a successful school. As important as volunteers are so is the safety of our students and staff. In an effort to maintain the safe and quality environment of Fruitport Community Schools, background checks are required on all volunteers, and will be completed by approved school personnel.

If you plan to volunteer at any point during the school year the following information must be completed along with a copy of a valid identification card that provides your name and date of birth (example: a driver's license). Any and all information discovered thru the check will be confidential; because circumstances change this background check process must be completed each school year.

Please take a moment to complete the bottom portion of this handout and return it to the school office with a copy of a valid identification card. Please complete only one form per family per building. Each volunteer must have a separate form completed and signed by the person requesting to serve as a volunteer.

We appreciate your cooperation with this matter.

Sincerely,

Fruitport Administration
